Activating Democracy Brazil Popular Participation

Activating Democracy in Brazil: Popular Participation, Social Justice, and Interlocking Institutions (Kellogg Institute Series on Democracy and Development) Paperback – Illustrated, April 15, 2015. by Brian Wampler (Author)

Activating Democracy in Brazil: Popular Participation ...

Brian Wampler's central claim in Activating Democracy is that participatory institutions in Brazil, over time, provide "access points" through which citizens can engage via a variety of strategies to secure both political and social rights (p. 26). Beyond this activating of democracy, a participatory citizenship regime was also activated in Belo Horizonte during the 1990s and 2000s, producing for Brazil a relatively high score on the Human Development Index.

Activating Democracy in Brazil: Popular Participation ...

Civil society activists and ordinary citizens now participate in a multitude of state-sanctioned institutions, including public policy management councils, public policy conferences, participatory budgeting programs, and legislative hearings. Activating Democracy in Brazil examines how the proliferation of democratic institutions in Belo Horizonte, Brazil, has transformed the way in which citizens, CSOs, and political parties work together to change the existing state.
