building-gstreamer-ti 1/1 Downloaded from unite005.targettelecoms.co.uk on October 17, 2020 by guest [MOBI] Building Gstreamer Ti When somebody should go to the books stores, search launch by shop, shelf by shelf, it is essentially problematic. This is why we provide the book compilations in this website.

Building Gstreamer Ti | unite005.targettelecoms.co

The default rootfs tarball downloaded contains gstreamer v1.6.3 but we have a dependency on gstreamer v1.8.3 for one of our usecases. Can you please tell us the steps to build and integrate gstreamer v1.8.3 into our VSDK build Env. Cross compiling from source in VSDK build env does not seem straight forward.
