I brought her a glass of low fat milk and English muffins with low fat cream. Lark frowned at the food then smiled up at me. "If I sound bitchy, blame the hormones. You didn't know me before I was preggers, but I was a saint." Grinning, I handed her the remote and placed a pillow under her feet." — Bijou Hunter, Damaged and the Bulldog

Bijou Hunter

The English bulldog is a brawny little powerhouse whose characteristic crablike waddle exudes great strength, stability and vigor. The dog's head is large and spherical, and the muzzle is extremely short, giving the face a flattened appearance. The English bulldog's eyes are dark and set low and wide on the forehead in the frontal plane.

English Bulldog Breed - Facts and Personality Traits ...

In 13th Century England, bullbaiting was a popular sport. This is where the English Bulldog's ancestor was developed. In order to fight staked bulls, these dogs were ferocious with huge jaws. When bullbaiting was outlawed in 1835, the Bulldog faced extinction.
