and he is a charmer. Chet isn't a very good dog, but he's a great dog especially for the almost down and out Bernie owner of The Little Detective Agency. As far as Chet is concerned Bernie can do no wrong, and that's what makes this such a charmer. Spencer Quinn jumps into the heart and mind of a dog.

Dog On It is a hilarious, laugh out loud kind of story. Chet failed K-9 school (of course the fault of a cat) and now works with Bernie Little in the private sector as one half of the Little Detective Agency. The dog-as-narrator is done well, and does not seem too over the top (as long as you buy into the whole talking dog thing).
