In United States history, a free Negro or free black was the legal status, in the geographic area of the United States, of African Americans who were not slaves. It included both freed slaves and those who had been born free. This term was in use before the independence of the thirteen colonies and elsewhere in British North America, until the abolition of slavery in the United States in December 1865, which rendered the term unnecessary.

### Free Negro - Wikipedia

In the United States, many of the African Americans elected as state and local officials during Reconstruction in the South had been free in the South before the Civil War. Other new leaders were educated men of color from the North whose families had long been free and who went to the South to work and help the freedmen.
