HANDBOOK OF MENTALIZATION-BASED TREATMENT

The Handbook of Mentalization-Based Treatment | Wiley Pioneering research has been carried out over the last decade on mentalization and the promotion of mentalizing capacity - the ability to interpret the behavior of oneself and others as based on intentional mental states, such as needs, desires, feelings, and beliefs.

The Handbook of Mentalization-Based Treatment | Wiley

If Allen et al. give readers a broad clinical overview of the mentalization concept, Allen and Fonagy's Handbook of Mentalization-Based Treatment enables the reader to focus in depth on a variety of topics relevant to mentalization. The book contains 16 chapters, and in this context I can discuss them only in brief, unfortunately giving many, if not most, of them short shrift, although I can state that almost all are of high quality and that a few are outstanding.
