Module 4: Investing Flashcards | Quizlet

Financial security isn't about how much you earn—it's about how much you keep and what you do with it. This is done by saving and investing your money. You may not think that you have much money to invest right now. But the sooner you get started investing, the less money you'll need over time to meet your financial goals.

Lesson Competencies and Objectives

In Module 4: Investing, we talk about risksas the uncertainty of achieving a desired result, and that it's woven into virtually everything we do. The downside of risk is the potential for loss. You can lose money, a relationship, your pride, your health, your ability to work, or most anything you value.
